

Lions District 105BS Convention 2019

As we prepare for a major change in our district structure we have one last opportunity to celebrate our service as the Lions of 105BS. The 2019 convention will be on 8th to 10th March at The Whitehouse, Telford TF1 2NJ hosted by Telford Lions Club.

The aim is to go out in style;-

- the DG has promised some interesting speakers and presentations for the business sessions,
- the convention will have an international theme with menus featuring traditional dishes from many countries
- the host night theme is "Around the World in 80 Days", there is no need to dress up but there is plenty of scope for those who like to
- the parade of clubs will allow those clubs who go to town on their costumes to show them off
- clubs wishing to entertain us will have an opportunity to perform a 3 minutes sketch.
- the banquet and ball gives a chance to show off some glamour and glitz as we eat, drink, dance and be merry.

Great efforts have been made to keep the costs down.

Room bookings should be made direct with the hotel – quoting "Lions weekend"

Double/twin room and breakfast - £80 per night, single room £60 per night

Accessible rooms are available on first come first served basis.

For meal bookings please send the completed form and cheques together to the address given. Particularly let us know about any specific dietary and access needs – we will attempt to address them as far as possible.

We look forward to seeing you for a weekend of fun, fellowship and friendship at the last ever 105BS convention.

PDG Shirley Vaughan
Chair Host Committee
